

CLEAT SWAP

Tired of buying new cleats every season?

We would like to help by starting a Cleat Swap.

Here is how it works:

- Bring in your old cleats that your child has outgrown.
- As we collect them we will make them available for you to “shop” for a new pair to replace the old pair.
- There is no charge at our “store.” All cleats will be given out on a first come, first serve basis.
- Our goal is to open the “store” on the first day of practice (on Monday).

It may take us a few weeks to build up a significant supply of available cleats. If you already have cleats sitting around your garage and would like to bring them in early that would help the process greatly. We will set up under the BBQ pit once we have cleats available.
