Fine Arts Day School

The McEachern Methodist's Fine Arts Academy, **Fine Arts Day School** meets on Monday's from 9-12 during the school year. Our program is specifically designed for preschool children ages 3-5.

In this exciting class, students get to explore music through our accredited **Kindermusik** program. In Kindermusik, students learn about movement, echoing, rhythms, play acting, and get to experience a wide variety of age appropriate musical instruments.

The **art program**, taught by our certified art teacher, gives the children a “process” based art experience. They can see what happens when colors mix, feel dough in their hands and develop their natural creativity, and let their imagination soar, while also learning the basics of art. Students are able to experience many different types of art media throughout the course.

Our Teachers

Amy Hopper

is our certified Kindermusik instructor. Amy studied Piano Performance at the University of NC at Chapel Hill. She has been involved in music ministry at McEachern for 18 years serving as children's and youth choir director, choir accompanist, orchestra pianist, Sunday night church pianist and music camp director. Amy has been a private piano teacher for the past 12 years and currently teacher piano through the Fine Arts Academy.

Beth Morris is a state certified visual arts teacher. She majored in Studio Art, at Marietta College (in Marietta, OH) and comes to us with a broad range of experience including teaching for the Cobb County School District, The Art Station at Big Shanty, the Cleveland Museum of Art, as well as Kenesaw State University's Continuing Education program. She enjoys seeing both her students discover art in the world around them.

Information & Daily Schedule

Our day is similar to a typical preschool day. We have centers upon arrival, and then split into two groups, one going to Kindermusik and one to art. Next we go outside (weather permitting) to play on the playground. This is followed by our snack time. After snack the groups switch and go to art and Kindermusik. Our day concludes with story time.

Students are required to be age 3 by Sept. 1 to be enrolled in the program. They also need to be potty trained.

Registration is \$95, and includes a supply fee for art supplies and a take home Kindermusik kit. Tuition payments are divided into 9 equal payments (August—April) of \$55 a month.
